Greetings everyone! We are thrilled to announce a transformative initiative that's close to our hearts – the "Sponsor a Child" Project. As we continue our mission to uplift the slum community, we invite you to join hands with us in making a lasting impact on the lives of underprivileged children and families.

SKZ illuminated their inborn talents by saving them from begging and initiating a spark of dignity and self-respect. Currently, 100 slum children are getting quality education in SKZ model school Lahore and many more are on the way.

"Empowerment Begins With Education"

Let's Make a Difference, One Child at a Time!

Sohail:

The man, The myth, The legend

In a busy neighborhood, Sohail's dad sold fish, and Sohail loved to play around. His cousin's stories about school interested him. One day, two people from SKZ School, Miss Hifza and Ansa, invited Sohail to join their school. He felt a bit unsure at first but then agreed. Now, he's in fourth grade and when he walks home, some people ask him to clean cars for money. But Sohail always says no because he wants to study and become a good person in the future.

Sponsor a Child, Ignite a Future!

We are inviting you to become a child's guiding light by sponsoring their education. Your sponsorship of just £25 per month can make a world of difference in providing quality education, essential resources, and a promising future for a child in need.

Why Sponsor a Child?

Your support ensures access to education, empowering children to dream big and break barriers. Proper nutrition fuels young minds, allowing them to focus, learn, and thrive.

Be on a journey with us

Join us in this life-transforming journey by sponsoring a child and igniting a brighter future. Together, we can break down barriers, overcome challenges, and uplift communities.
